

City

**MORE LOAD – LESS
MAINTENANCE. THE
CITY IS THE BEST HOOK-
LOADER FOR A CHASSIS
WEIGHING BETWEEN
3.5 T AND 5.5 T.**

LIFETIME EXCELLENCE

WHY CHOOSE THE CITY?

Increased payload

- The CiTy is the lightest on the market (more resistant steel design) Maximum weight optimization of the mounting parts (eg. mainvalve support).

Reduced maintenance

- Maintenance without lubrication. The CiTy is assembled with self lubricating bushes, resistant even under heavy loads.

Easy to use

- The ergonomic and intuitive cab controls are easy to handle.
- 2 additional functions: Diagnostic mode and emergency mode.

Longevity and reliability

- The CiTy is ex-works final coated: Grey unit, black cylinders, yellow rear pulleys and arm. Small mechanical parts are zinc nickel treated.

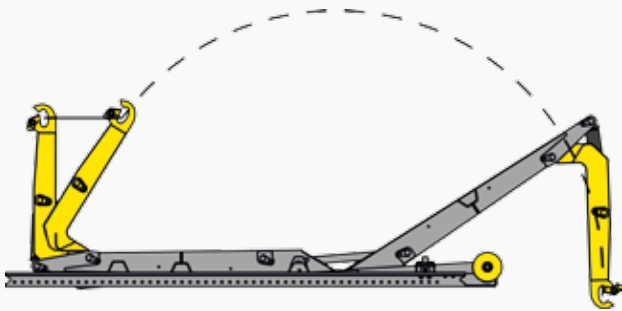

Easy and efficient mounting

- The screwed mounting of the brackets and accessories- all treated against corrosion - increases the lifetime of the CiTy and allows quick replacement of the accessories.

ABOUT THE CITY

- Increased payload
- Ergonomic and intuitive cab controls
- Bushes without lubrication
- Ex-works final coated
- Efficient mounting

Technical specifications
